## PERSON PROFILE

I'm Michiel Merlier, a 20-year-old Industrial Design student at the University of Ghent Campus Kortrijk.

I am based in Olsene, Belgium and am passionate about Industrial Design, Photography and Cars. I believe that they all share a common thread

- the ability to evoke emotion and capture the beauty of the world around us.

## EDUCATION

Industriële wetenschappen, VTI Waregem  
September 2015 — June 2021

Industrial design, University of Ghent, Kortrijk  
September 2021 — Present
